Municipality

In enclosing herewith the report to C O 20/47-48 dated 13-3-48
together with its enclosures received from the President, Town Muni-
cipal Council, elakavadi on the above subject, I have the honour to
request you in the circumstances explained by the President, kindly
to obtain sanction of Government to the proposal of the Municipal
Council to revise the scales of pay of the Sweepers

The President has however stated that the Municipality is not
in a position to ~~pay~~ revise the scales of pay of even the Sweepers
so as to be on a par with the scales sanctioned to the Government
Departments and that therefore the scales now proposed by the Muni-
cipal Council may be approved

With regard to the revision of the scales of pay of the other
establishment in the Municipality the Municipal Council have not
taken up the question fairly or account of their slender financial
position. This question may have to be deferred for the present
